

Pandora Lou Haley

March 5, 2010 - June 8, 2019

Dora, you came into our lives and you brought with you all the funny little lovable things that made you part of our hearts forever. Little ladybug you were full of personality - a fearless girl who "protected" your family and showered us with kisses. We will love you forever - we miss you beyond measure.

Love, Mom, Dad, Keely, Evan and Archie
