

Pawzuzu Carpino

May 3, 2008 - June 28, 2019

My special boy cat, Pawzuzu, touched my heart in 2008. I met him at Capital Area Humane Society when he was just a little kitten with big ears and a big personality. He made friends with all the vets and techs who met him. He was the most beautiful, kindest, gentlest soul I ever met in a cat. He left his paw prints on my heart forever.
