

## Peanut Garland

June 15, 2021

Peanut was adopted at the age of 6 and was 12 when he passed. He was an owner surrender from Delaware Oh Humane Society, so information was available about his past. His name was Gizmo, but he had a negative reaction to the word, so we immediately called him Peanut instead.

Peanut lived out loud and loved fast cars and faster women and definitely had a short guy personality. He spent his last week on vacation with his mom and Aunt Kerry. He ate heartily and enjoyed his leisure as always.

MedVet ER tried very hard to save him, but it was time and no one was ready. I hope he is with beloved doggo sister Harper and Pecan Pie who left us too soon just recently in February.

Till we meet again, big guy. Love, Mom
