

Pecan Pie Garland

February 12, 2021

Pecan was rescued from a backyard kennel at the age of 10. She lived comfortably for only 2 more years with me. She was gentle and sweet and loved to bark to express herself. She loved everyone in spite of her background. We all miss her very much.

“ I’m so glad that you got to show Pecan Pie ❤️. I made a \$200.00 donation to Homeless to Home in Marion, Ohio in Pecan Pie’s memory! Homeless to Home is an awesome rescue that doesn’t turn any animal away. They rescue cats, dogs and I’ve seen a pot bellied pig there! They definitely go out of there way to create a very loving and giving facility. This is perfect for Pecan Pie and I hope this gives you comfort that more animals in need can be rescued!

“ I did not know Miss Pecan Pie, but I love her name and she’s so cute! I know she had a wonderful life with her person, Lori. My thoughts are with you and all who loved her! It’s hard to lose our sweet ones, but so worth it to have them in our lives.
