

Percy Stein

November 23, 2014 - December 8, 2024

Percy was the best little friend someone could have. He was the first pet I ever had that was mine, and I loved him with all my heart. He saw me through so many life changes, so much pain, and so much triumph. I raised him from when he was small enough to fit in the palm of my hand until he became the beautiful dragon I adored. I loved every moment he was in my life, and will remember him every moment after. He lived a long life, and even though it hurts, he deserves to rest easy knowing he was loved. I will never forget you Percy. There will always be a little piece of my heart that is just for you.
