

Phoenix Diego Kiser

January 12, 2010 - March 13, 2020

Phoenix was the most amazing dog ever. He came into my life when I was low and brought me and everyone he met happiness and joy. No matter how bad of a day I had he could change the mood as soon as we saw each other. Phoenix was a true definition of a best friend for life. He will always be a part of my life forever and will never ever be forgotten. I miss you terribly but seeing your pictures and that happy face brings me comfort in these hard times. I love you my baby boy and I will see you at the Rainbow Bridge when it is time. I Love you Phoenix Diego Kiser and I hope you are showing Heaven that they have an amazing dog residing there now.

“ We are very sorry to know that Phoenix has crossed the Rainbow Bridge but he brought such love and memories to our family. His unconditional love for our son Pete made Pete’s life full of love and admiration. There maybe another puppy in Pete’s life but there will never be another Phoenix. We have a flower growing in our backyard in Bluffton, SC that will continue to grow in memory of Phoenix and to remind Mema and Pappaw what a wonderful life Phoenix had and what he meant to all of us in his family.
