

## Princess Edwards

September 23, 2007 - November 7, 2023

Princess was a wonderful cat, and as most pet owner's would say, "The Best". She really was the best cat, friendliest cat, and most of all sweetest cat. Anytime anyone would come to visit me, they were really there to visit her! She would come straight to you and sit on your lap for hours. She will forever be missed, but always in my heart.
