

Princess Jobe

May 15, 2025

Princess came into our life's a little over 9 year ago she gave us the best years she was my son's best friend she was definitely one of a kind we will never be able to find another pup like her she was very intelligent she loved to cuddle and sleep under your legs this house is definitely not the same without her Princess we miss you greeting us and smiling when we come in the house.
