

Princess Victory Goggans

October 27, 2007 - March 21, 2022

Victory adopted me in 2007 at Petsmart. She was rescued by Cat Colony. I was informed she wasn't having any visitors and sat in her litter box all day. When I arrived and said hello she spoke back to me. I was blessed to gently remove her and she sat from shoulder to shoulder on me like a protector. Not looking for anyone, I adopted her that day. She has been the best girl in the whole wide world. Never a dull moment and full of conversations, protection, and genuine love. Momma's angel girl!
