

Printz Trudell

January 1, 2016 - October 15, 2024

Printz will be deeply missed by so many people. He was more than a pet, he was like a child to us. Printz loved his snackies above all! He also loved napping on his dog bed next to his mama while she worked. He also loved Bark Boxed, chewing on sticks-the bigger the better, and he loved hanging out while his dad did woodworking in the garage. On sunny mornings, he loved going out on the back deck and napping out there while letting the sun warm him, he loved car rides, playing with dad at the park, and snuggling up to his mom at bedtime. He was the best cuddle buddy ever! Printz was that one special dog that everyone hopes to get once in a lifetime. He left paw prints on our hearts and he was our "Heart-Dog!" We love you so much, Printzy. Although we are relieved you are at peace and no longer in pain, our journey of learning to live without our fur-baby is just beginning and the pain is also just beginning for us. Knowing we will be reunited one day makes it all worthwhile! Love always, Ma Ma and Da Da
