

## Pumpkin Brooks

June 30, 2002 - April 26, 2018

Pumpkin, mommy's pretty girl - Daddy's little devil. Bossy Big Sister to Patch. She was a very active member of the family. Always is willing to help with holiday decorations. Graciously supervised her Uncle Mike with home repairs. Was always happy to visit with her Uncle Joe. She was very bull headed and needed time to think about things. Collector of cat toys. Big fan of cat nip. She was well cared for by Dr. Molly at City Paws Home Health. Love you Forever!! Mom, Dad and baby sister Patch.
