

Pumpkin Stanley Mitchell

February 26, 2008 - February 11, 2020

One summer day I went to the shelter with plans to meet a different dog, but fate united us with Pumpkin. He was the best dog and I often wondered how I got so lucky. Pumpkin, from the moment we met you were always by my side. You've been my companion, a little brother to your sister and big brother to our newest pooch, Biscuit. I miss hearing you snore, seeing you wait outside the bathroom door, watching you scratch the couch pillow before laying on it, and turning into a puppy again at the sight of a ball. I love you with all of my heart. until we meet again.
