

Punkin Tater Bartlett

August 19, 2005 - April 12, 2021

Punkin Tater Bartlett sadly crossed the rainbow bridge at the age of 15 on April 12th, 2021. Born August 19th, 2005. Survived by Mommy (Kayla) and Daddy (Tommy) Bartlett. Punkin enjoyed giving her mommy and daddy lovins, sleeping between them, and being little spoon. car rides with her snout hanging out the window, snuggling in cozy Sherpa blankets, walks, visiting family, letting her snout guide her with every scent she picked up, getting green paws after the yards been mowed, frolicking in the fresh snow, and her most favorite thing food. She loves chicken...ANYTHING chicken, spaghetti, biscuits and gravy, yummy treats, and fresh water from the stream. Her favorite past time playing with Mr. Coon, her squirrel tail, and chasing anything that ran from her.

Punkin was loved by so many. Not thought of as a pet but a fur baby, fur niece, and fur grand baby. She brought so much joy and love into our lives. She was her mommas best friend and took such good care of her when she was sick and when she needed her. Punkin took care of us in some of the hardest moments in our life. We'll be forever grateful for the 15 years we had with her. When we learned she had congestive heart failure our hearts sank because we didn't know how much time we had, but thankfully we had another 6 years with her, in the end she lost most of her hearing so I would just yell I love you and smother her in tons of kisses. She's dearly missed already and nothing seems normal, there's just a emptiness without her around. Who's gonna follow us to the kitchen now hoping they'll get some

extra chicken, or jump up tail wagging when we come through the door, keep us company when we're alone, or be our snugglebunny when we need a good cry?

Mommy and Daddy love you so so much sweet face. We'll miss tugging on your cold long soft ears, and your frito paws. I'll miss carrying you to bed every night and tucking you in along with the 100 kisses I'd put all over your sweet face. You'll forever be our baby girl, and we'll always include you in our Night Night, I Love Yous.

Reunited with brother Bubba Loosky and sister Coco (Cocoamoe)
