

Revol Smith

November 1, 2010 - March 26, 2020

Revol had a rough start at life, we rescued him at nine months old from the Cleveland Animal Protective League after he was abandoned by his previous owner. But his circumstances did not stop him from showing his love for everyone and everything he met. Revol was loyal, compassionate, intelligent, and sometimes he was even a little sassy goober. Revol will be truly missed.
