

Rico Barron

March 5, 2019

Rico Barron, 14, died on March 5, 2019, after living a full and happy life. Rico was a character with an incredible personality. He was brilliant, funny, but also demanding when he needed to be, including when he wanted his stomach scratched. Rico was loving and fiercely loyal. He loved to eat, play, take walks, sleep and make his opinion known. You didn't have to wonder what Rico was thinking, because he would always let you know. Rico's personality was so strong it was like having another person in the house. He had lots of friends and was also quite popular on Facebook. People just genuinely loved Rico. While it is terribly sad to say good-bye to Rico, we will never forget him and he will always be a part of lives. Farewell, buddy. We will always love you.
