

Riley Ann Brown

December 2, 2006 - September 4, 2020

We became Riley's parents when she was 16 weeks. She was so sweet, she loved to swim chew on her bones and was the best snuggle pup! There wasn't a time when anyone could walk in the back door. She would always grab a stuffed toy and bring it to you as you came in. You gave a good long fight through your hip problems and arthritis. Now you will no longer be in pain and be with your big sister Allie. Your baby sister Bella misses you already. We love you Riley Ann. Always in our heart!
