

## Rooster Giwa

February 8, 2021

I love you forever my baby boy, you'll always be my Doo-dah. You hurt me with this one, now who am I suppose to wake up to? Rest Peacefully in Heaven, and watch over me. - Dara

I love you Rooster. Thank you for everything. You were a pillar to our home. I know you are up there in Heaven where you came from. Now we have you AND God watching over us. Thank you for leaving a piece of you in us all. I love you sweet Prince. - Tobi
