

Roscoe Urban

August 8, 2018

I saw Roscoe alone & we knew at first sight that we needed each other. He was such a good dog & gave the best cuddles. He ran faster than you can throw a ball & jump to your head. Roscoe made our lives better than we could ever have imagined. Thanks Buddy, for being our best friend & always in our hearts.

You're the best Roscoe!!

Love, Mom, Dad, & Tucker
