

Roxy Hewitt

April 16, 2012 - May 26, 2020

I remember the first time I saw you. You were tied to a tree. I said I want that dog and I got you. I set you free in my big yard. And you just ran and played so hard that day with your new toys. You were so happy and you be you made me happy just watching you evolved into a loving and trusting dog. I know I only had you for 8 yrs but they were the best. I will forever miss you.
