Rusty West

1/10/2009 - 2/1/2022

Rusty became a part of my family at just 8 weeks old. From day one he was mischievous with a personality the size of a giant. He had his own opinion and was very vocal about it. He brought so much joy and laughter. He was a great protector and friend. Through every obstacle I faced in the last 13 years, Rusty was a constant companion. I will miss the snuggles, the way he followed me around constantly, and the way he would greet me after an absence, whether short or long.

My heart is broken Stinka Butt. When you laid on my lap and took your last breathe, you took a piece of me with you. I was so lucky to have you!! I'm sure you pee'd on Heaven's gates as soon as you got up there. I hope there's plenty of toilet paper for you to snack on. Watch over your Buddy Leo!! You'll never be forgotten. I love you!

“ *Rusty !! But I always called you Rustarious! I think because you always had a hilarious personality. I remember when your mommy picked you up! I was there and you were soooo teeny tiny! Your tee tee will miss you so much— and I’m so sorry that you had to leave! Angie, my love— Rusty was one of a kind and your love for him can never be replaced. I pray for your strength—in the hardest of times let the love for you fuel you and keep you pushing forward. 🙏*

Well Rusty, I can say that you truly left your mark, on the kitchen chairs, the cabinets, etc.! Leo was your hero and you were his! Rest easy! I know you will because all dogs go to heaven! Angie, I love you and I pray that you have peace in the days to come!
