

Salem Taylor

September 5, 2018 - October 14, 2018

The moment I picked Salem up out of a busy street I fell in love. I did my best to show her the brighter side of life. Salem was a fighter in life and in death. She had an energy that could like up your soul. I lost a piece of me when she passed, and she will forever be in my heart.

"If love was enough to save you, you would have lived forever."
