

Sam Kahler

November 11, 2005 - February 22, 2022

We had just lost our 15 year old poodle Tucker 3 weeks earlier, when we heard about Sam being at Petland for 5 months. We brought him home and he was the love of our lives for 16 years and 3 months. Loved to chew on paper, steal dollar bills from pockets, and lay on top of your legs when on the couch. He had to be skin to skin but not held, all on his terms. He was very stoic, hated being helped and loved Boars Head Deli Turkey. He was momma's boy and I will miss him terribly. Until I see you again in heaven Sam with Ellie and Tucker. I love and miss you.
