

## Sami Hinton

November 9, 2001 - April 30, 2018

When I met Dorothy, she had already had Sami for about 7 years. He quickly won my heart also. He was a happy miniature Dachshund, always ready to go for a ride. He traveled perfectly with us to Maine, Virginia, Massachusetts and so on. As we are "seniors" with no young children, Sami was "our little boy". Such a small little dog has left a mammoth empty space in our lives. Life does go on, but we will always think of him and miss him.
