

Sasha Deen Tee Thounsavath

December 17, 2010 - April 19, 2021

You were kind, loving, and caring with a little sassy. You always loved a good belly rub. Seeing commercials with animals will never be the same. It's not the same because you're not barking at them. Moving furniture around will be much easier without you biting at it, but would rather have the attacking than not at all. You never left my side no matter what going on. You knew when I was sad. You knew when I was happy... You were always there. Thank you. Thank you for helping me through the hard times and the good ones. You not being here makes my heart hurt, but I know you would want me to carry on and be happy. I miss you Sasha... we all do. You will be with me, with us forever.

Love you baby. **kisses nose**
