

Sasha Pyles

August 10, 1999 - July 29, 2020

My family adopted Sasha as a pup. My friend adopted her brother, Cub. They were both wonderful companions & guardians to our families. Sasha loved the outdoors. She liked to canoe & swim & jumping on the trampoline. She walked the perimeter of our property every single day, right to the end. I miss her presence. I hope her & Cub are playing together in doggie heaven.
