

Sassy Lu Lu Bitting

September 28, 2013 - April 4, 2024

Always Friendly, Loved Kids (snacks)

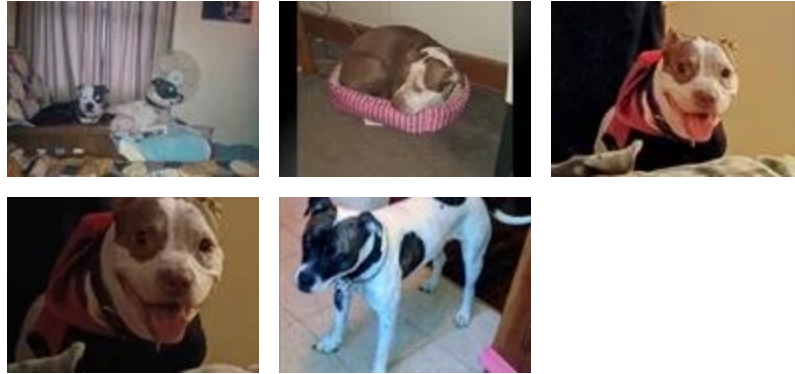

would always follow you around the house to check on you. Loved running around the yard with the other dogs. She loved her tennis balls & toys and loved getting treats. Everyone loved being around Lu Lu and Lu Lu loved everyone being around her. She loved getting dressed up in her outfits and looking (Sassy). She was a great Loyal (Family) member and she is truly missed.

Rest Easy Sassy Lu Lu.
