

## Scarlet Oliver

August 16, 2016 - December 9, 2022

Scarlet joined the Oliver family in the fall of 2016 and was named for The Ohio State Buckeyes, as she was picked up in Columbus and I am an OSU grad. She was an enormously obedient and loyal pal; she was the best friend I've ever had. Scarlet would fetch non-stop for hours and become somewhat of a soccer team mascot given her frequency at practice. A brain tumor took her too soon and no dog will ever replace her!

We love you Scarlet!
