

Scooby Silk

March 6, 2005 - February 16, 2021

From the first day we met and through the years, I loved you with all my heart. You kept us entertained, kept us smiling, kept me safe and warm. As I held you in my arms and you lay your head on my shoulder, I knew it was time to say goodbye. No more pain. I know you are in heaven with your tennis ball, jumping higher than you should. We miss you dearly, Mom, Dad, Will, and Little Max.
