

Winnie

March 29, 2008 - February 12, 2024

My wife and I saw a picture of Winnie at the Alum Creek Dog Shelter, I adopted him the next day! We both loved him at first sight. Winnie was always there for me, especially when I lost my wife 9 years ago. Good times and bad, he was my little buddy - as I don't have any siblings or children. Winnie was all I had! I love him and miss him every day, he was my bestfriend! I will always love him. I love you Winnie!
