

Scrat "Scribble" Calhoun

April 3, 2010 - May 1, 2020

Scrat was a very unique puppy from the start. He had a unique bark moving his mouth trying to speak while barking more unusual sounds which was cute. He was a spiritual dog, when we would pray, he would bow his head and cross his little paws. None of this I taught him to do, he just did it. He slept in the bed with me every night. He is truly missed by our whole family which he is a part of.

“ I love this little boy soooooo much! He was a genuine gift directly from God! Such a BEAUTIFUL SPIRIT of love, compassion, fun, smart, playful and very loyal and steady companion of 10 years to his best friend Stella Hope Fazzone.
