

## Sierra/CH. Bolero Blindfaith V. Deerfield

May 24, 2006 - September 29, 2017

Sierra was always happy and full of life. She loved to go to the park and chase geese. Sierra loved to go in the show ring she became a American champion through AKC and almost had her championship in Canada. Sierra loved to go to Grandma's to play with Grandma's kitty. She loved Grandma's cooking. Sierra's body just slowly started to give out till she could not go anymore. On Sept 29th my little girl passed to the other side. I miss and love you so much Sierra. The house will never be the same without you. RIP. My sweet loving little girl.
