

Smokey Joe Bonham

October 14, 2021

Joe was a kind and gentle soul. When we adopted him, he was a lost kitty-matted and exhausted. He was so sweet to everyone (human and feline). In fact he was a very loving "uncle" to the five kittens born in our home. Giving them kisses, and watching over them as they played. Joe was such a gorgeous boy - his daddy often called him "majestic" , for which Joe squinted in approval. Joe did not like to be groomed, but he did like to cuddle between us on the couch. He was our baby Friday's boyfriend - who we lost last year. We are so lucky to have had him in our lives and miss him so much. He is with his girlfriend now.
