

Sophia Vigara

April 12, 2012 - April 8, 2026

Sophie, our sun, moon, stars, and light, Came to us one day, And our love took flight! This little angel, too small for others, Accused of being the runt among her sisters and brothers. To us, you were the most beautiful thing, Hugs, cuddles, and kisses were our thing! You were there for us in good times and bad, Placing your neck on ours if we were ill or sad, Guarding us by taking post, Ready to fight any human or ghost. We did the same at your most vulnerable times, I had your back as you had mine, I would ask your advice, and you would tilt your head to say, "You're a baddie. Why are you doubting yourself today?" Walking you "home", One of the saddest days of our lives, You gave us your all, every day of your life. So this is not a goodbye per se, Only that mommy and daddy love you, And we will see each other again one day.
