

Sophie Brigner

July 12, 2008 - March 19, 2020

Sophie

Our toy poodle, was so smart. She went for training at a very young age. She had 3 different sounds of barks, 1 for my kids and grand kids, 1 for just friends, and the last was for strangers. She knew hand signals. She was Beautiful, But most of all she brought real happiness to my late husband and I. Sophie was loved and she is missed so much.
