

Sophie Endicott- Erwin

November 12, 2008 - April 5, 2024

Sophie was such a good girl. She came into my life 15.5 years ago when she was just 6 weeks old. We've been inseparable since. Sophie loved fuzzy blankets, squeaky toys, her family, treats, and eggs and bananas.

She loved going shopping for new toys, getting pup cups, and snuggling. Sophie was always spunky and vocal. She loved to bark, and had to be the center of attention.

About 2yrs ago Sophie started losing her eye sight, and started going deaf. Unfortunately her health has declined the last few years as she's aged. We said good bye to our sweet girl on 4/5/24

Sophie had so many people that loved her, and she will be missed by so many. I know this fur momma will forever miss my babygirl.

We will love you fur-ever, Sophie girl.
