

Splinter Lawson

November 8, 2019 - September 9, 2022

Splinter was one in a million. He was beautiful and had the most beautiful black fur.

He was only here for under 3 years, but touched my life and gave me only love and joy. He was loved beyond measure by me and I am grieving him. I miss him so much. He will always be in my  heart. He is missed and loved so much.
