

## Stewart Tubie Cihgo

May 17, 2011 - January 22, 2024

True to his breeds (Jack Russell & Dachshund) Stewart did everything with an intensity bordering obsession; hunting for scraps, patrolling the yard, welcoming guests, and showing his love. We know he went racing across the rainbow bridge to find his favorite human, Quinn, who he hasn't been able to smother in kisses since November 2021.
