

Storm Loomis

November 8, 2017 - August 13, 2020

On August 13, 2020 Storm passed away. I'll never forget the moment I met Storm when my sister handed her to me for the first time it was instant love from that moment forward.

Storm was my shadow, my partner in crime, and my comfort when I felt alone or sad. Over the years Storm and I created tons of memories together we went through it all her and me and she's the best friend I've ever had. I'll miss you Storm.
