

Sweetie Pie (Cheekie)

February 14, 2007 - March 3, 2018

My little girl came to me as a year old dog. She hadn't been cared for very well and needed a lot of love and attention. I picked her up on Valentine's day and she didn't have a real name so due to her sweet nature, I called her Sweetie Pie. As she grew and became part of our Family she was given many nicknames - Cheekie was the main one due to her cute butt and attitude. She was always happy, loyal, very protective and loved everyone. She loved to roll on her back and do what we called the alligator, and then we would say smile and she opened her mouth and showed her teeth as to smile for us. Her treats made her very happy and after every potty break she expected one or two. She had a great appetite for food and life.

She also had a friend named Leia that already lived with us when she found our home. They played together, ate meals together and even slept together. Cheekie was a loving companion to her family and everyone that visited over the ten years we had her. Every person that ever met her loved her happy and gentle nature. She is already so missed and I believe will live in our hearts for the rest of our lives. I pray that one day I will see those sweet brown eyes again as we walk over that Rainbow Bridge that so many talk about. RIP my little girl and know you were deeply loved.
