

Syd Trout

May 14, 2011 - September 23, 2018

Syd was a brother, friend, companion and energetic soul. He passed surrounded by his family Sunday, September 23, 2018.

Syd was born May 14, 2011. His family found him at 11 weeks old unexpectedly while out at a local pet store. We immediately fell in love and a couple days later brought him home. His big brother Manny wasn't sure about him at first but fell in love and they became inseparable. They loved to lay together on the bed, fight over toys and chase each other in the backyard. Syd had a baby brother on September 2, 2015 and he became his baby brothers protector. Sleeping by him, being beside him when he played and chasing him too! The bond between them was the perfect example of mans best friend.

The love Syd gave his family was unconditional and Syd wouldn't want it any other way. He loved to lay in his dog bed chewing on bones and of course running in the back yard chasing birds and his dad on the 4 wheeler or dirt bike. The most active dog he could be.

Syd was one of the best dogs anyone could ask for. He is missed dearly everyday. We are so grateful Syd got to meet his second baby brother on September 6, 2018. Although he wasn't able to see him grow we will talk to him and let him know how Syd was and how much he would have loved him and protected him too.

Syd we love and miss you and one day will meet again and cross the rainbow bridge together and never be apart.

Love,
Daddy, Mommy, Manny, Bryor and Gannon
