

Tank Russell

July 7, 2015 - June 15, 2022

Tank was a wonder guy. He was an almost 7 year old Dogue de Bordeaux. Both his parents are still with me and look around for him daily. When you have a dog as big as an adult human, it's difficult not to miss them. He was a very kind boy, a gentle giant. Fly high, over the rainbow bridge, my friend. We will meet again!
