

Taylor "Tay Tay" Haddox

October 10, 2008 - May 8, 2022

Tay Tay came into my life when she was about six years old. She's been in Carson's all her life. He was HER life, her best friend, and beyond loyal to him in the best way. They had been through so much together. So many faithful stories and adventures. She loved going for car rides or in the bed of the truck. Also running around Tar Hollow with us and her sisters. Faygo liked RUFFhousing with her the most, and Rizz liked escaping the yard and running the streets with her. She was a rule breaker, but she was amazing. Strong, protective, and sweet. I love you so much Tay and miss you everyday. You were the best addition to the fur family. Your dad misses you so much, Fatty. We will hold you and all the memories in our hearts forever and always.

Love Emily and Carson

and Faygo, Rizz, Ivar, and all the cats!
