

Taz Hedges

September 15, 2009 - May 7, 2021

I met Taz at two months old (along with his brother Mickey) through a friend of mine. It was so much fun to watch the two kittens grown into cats. Taz was always sweet and fun loving. He rarely got into trouble and was way more laid back than his brother. I started dating Sean and they became fast buddies. We became a family. Taz brought us so much love and joy. He was the sweetest animal that I've ever known. He was the intense pain towards the end but it is still hard to let go. We will always love you. Taz.
