

Tessa Bear Briggs

October 28, 2008 - December 22, 2024

Tessa Bear Briggs. 10/28/2008-12/22/2024. Rest in peace sweet girl.

16 years, 1 month, and 25 days is a long time, but not long enough. You always waited patiently by the door for me to come home and have been my constant companion, especially for the last 5 years while I worked from home. I said goodbye to you today. Without you, "home" is just a "house". I miss you, Tessa Bear. #therebetterbearainbowbridgeorsomeonesgonnapaydearly
