

## Thomas "Buddy" Hanes

November 14, 2018

My Buddy, my follower, my cuddly nap partner, my sharer of chicken and cheese (don't be concerned, I only shared with him), my comforter, my secret keeper, my best friend.....I lost this guy yesterday. My nightly and morning routines won't be quite the same without him by my side to give me love and make me smile. I will forever cherish our 16 years of memories! Rest easy Buddy! You are loved and will be missed dearly.
