

Tidy Daniels

December 31, 2005 - June 1, 2023

For 17 remarkable years, Tidy graced our lives as a loyal companion, a faithful road dog, and a cherished member of our family. With each passing day, Tidy's unwavering presence brought us immeasurable joy, and the memories we created together will forever be etched in our hearts. Tidy loved being by my side, step for step(literally).

Tidy loved to go to parks for long walks, playful runs and chasing ducks to ponds & squirrels up trees. Tidy was more than just a pet, he was family, he was our 'TidyBowl', our 'bubby' and our 'Grandpa Tidy' who brought us much love, laughter, and countless memories, even in his later years, Tidy still loved going on little walks, car rides, relaxing feeling a good breeze from the wind and occasional ice cream treats, he will forever hold a special place our hearts.
