

## Tiger Decker

July 25, 2018

Tiger came to us as a newly born kitten right after my Son's 5th birthday. This September 28th my son will be 20. Tiger has been a part of our lives for so long it will be hard to imagine her not being with us. Tiger would come and sit across my chest every night when I came home from work. She would lick my face, arms and even my hair. I used to ask her if she was cleaning me or giving me love. Tiger was our cat but she was also our heart. She will be Greatly missed.
