

Tiger "Speedy" Smith

April 7, 2009 - December 25, 2017

Tiger "Speedy" Smith, 4/7/2009 - 12/25/2017. Survived by his brother Oreo Smith. Tiger was a tabby kitty with a white chin. He had diabetes the last 2 years of his life and cancer the last part. Tiger would not hurt a fly, always wanting to be near his brother or hanging with everyone in the evening. He lived sitting in his chair and watching the birds and squirrels out the window. Tiger loved playing with ribbons or your robe tie, belt, anything that could be squiggly, and hair bands, the ones with the metal clasp. He was always giving a little head butt just to let you know he loved you. He was not in a hurry for too much, hence the nickname. Tiger almost didn't come to live with us but someone or something had another plan. We adopted Tiger and his brother Oreo in May of 2009. Not really sure of their exact birth date, so we picked one. That was the best day ever. I could write forever about you and your unconditional love. Tiger, you are sorely missed by Oreo, Mom, Dad, Grandma and Granddad. Not a day, hour or minute goes by that I don't think about you, I love you, Tiger, Mom...
