

Tinkerbell Lee

October 4, 2008 - September 14, 2021

Tinkerbell was a sweet little one, she never asked for more or anything. Just wanted to be loved. Car rides, walking at the park, and she went to clean building (office) with me. Always at my side. She went through lots of pain (dental issue) but stayed strong with me. She went through 2 surgeries. Happy little Tinkerbell, I miss you dearly.
