

Tito Hoops

October 3, 2018

To the best little man in the world, Tito. You will always be loved and forever in our hearts. One could not have asked for a sweeter or happier boy. You were simply the best, the best at cuddling, the best at greeting your humans with your chi-howl, the best at running like a little wolf on walks, and the absolute best at showing your unconditional love. You will be forever missed little man but we know you are now running free!

Love you, Tito-ma-skee!

“ Aww sweet Tito aka Wien you sure were a good little grand-pup. I'll miss watching you walk on your front legs, I'll miss your funny little yowly bark, I'll miss all your funny little Tito ways. I'll miss your bright eyes, the way you sit in our arms, even the way you take off on our walks and don't listen! You surely did brighten Taren and Kels life and we are all lucky to have the pleasure to know such a sweet little guy. Go run with Baker, Herman and Peanut!
